April 2012

As we prepare for the last semester of our 37th year, Granite State Choral Society, under the guidance of music director Seth A. Hurd, is busy preparing for our next concert *En Masse* featuring the King of instruments. We are excited to be able to perform this very challenging and beautiful music accompanied by a chamber orchestra!! This is a fabulous opportunity for all the singers, players and audiences alike that will culminate in our performances on Saturday, May 5th at 7:30 pm at the Community Church of Durham, U.C.C. in Durham, NH and Sunday, May 6th at 3:00 pm at the First United Methodist Church in Rochester, NH.

As we put the finishing touches on our 37th year, we are asking you today to become a Granite State Choral Society **Donor** or **Advertiser**. You have likely supported the Arts in the past and so you know that producing a concert involves a variety of expenses that need to be met each season. Rehearsal and performance space, salaries for the director and accompanists, and publicity are just a few of the expenses. We rely on your support since ticket sales and membership dues do not fully cover our expenses.

As a Donor or Advertiser, your name or ad will be included in our concert program for this concert session. We also encourage our members to give each business that places an ad their personal support. Your ad and/or sponsorship will be viewed by our large audience members in both venues.

Please find your reply form enclosed. Complete the appropriate form with your information printed clearly. Return your completed **Donation** or **Ad** form with your payment (**please note that all donations are a tax-deductible contribution**) to us by **APRIL 23rd** to be included in the program (please indicate if you prefer not to be listed in the program). ***Then be sure to put one or both of our concerts on your calendar!***

We greatly appreciate your support whether it is your first time supporting us or whether you have supported us in the past. Every single contribution makes a difference. You make it possible for Granite State Choral Society to bring great choral music to our community and those in our surrounding communities. You also make it possible for us to provide music to audiences that cannot come to our concerts . . . this happens when we take our concert material and visit nursing and retirement homes and other community service events in our efforts to give back to our communities each semester.

It is our pleasure to serve each and every one of you. We are excited and looking forward to performing this wonderful music and hope you can join us as a *Donor* or *Advertiser* and as part of our audience.

Sincerely,

Granite State Choral Society
